

Become a Friend of Evergreen

Evergreen is owned and operated by the non-profit Evergreen Foundation for the benefit of the public. Unlike other public gardens, Evergreen does not charge admission. Instead, the Foundation relies on the support of people like you to ensure that the garden is maintained and regularly opened to the public without charge. Please help us by becoming a Friend of Evergreen.

As a Friend you'll not only do your part to preserve this special landscape and support the Foundation's landscape education programs; you will also be entitled to substantial member benefits, including discounts at participating nurseries and garden centers.

Choose your membership level:
